

# Start saving and enjoy a stress-free commute today

*Vanpooling has made my 100-mile daily commute manageable. Sharing the commute with others provides camaraderie. It also reduces my carbon emissions and saves money. Driving alone no longer makes sense.*

- Jamie E., VanClub Rider

Eligible vanpools get up to  
**\$600 per month\***  
 towards the cost of their vanpool lease

**Save Money:**

Save up to 70% in commute costs when switching from driving alone.

**Save Time:**

Zip past traffic in the carpool lane or in the express lanes for free or reduced tolls.

**Breathe Easier:**

Relax on the way to work knowing that your green commute contributes to cleaner air.

**5.5 tons of vehicle emissions have been reduced**

by participants who switched from driving alone to vanpooling with VanClub.

Special thanks to the Mobile Source Air Pollution Reduction Review Committee for sponsoring this project.

## Vanpool Subsidy Program

VanClub subsidizes qualified vanpools on an ongoing basis, **up to \$600 a month\*** not to exceed 50% of the vehicle lease cost.

### Program Qualification Requirements

- Lease a vanpool vehicle through a VanClub approved leasing provider
- Your destination (employer location) is in southern or western Riverside County
- All passengers and the driver must be commuters and volunteers in the vanpool; only the person who signs the lease with the leasing provider ("leaseholder") may apply for a VanClub subsidy
- Commute must be at least 30 miles round trip each day
- Vanpools must start with a 70% or greater occupancy (ratio of passengers to your vanpool's seating capacity, including the driver) and maintain a 50% or greater occupancy
- Operate at least 12 days during each calendar month
- VanClub will publicize the vanpool and any empty seats
- Comply with all VanClub Program Guideline requirements and sign a Participation Agreement

### Approved Leasing Providers

AVR Vanpool takes pride in providing excellent customer service, competitive pricing and a diverse vehicle selection.

The California Vanpool Authority (CalVans) is a great choice for agricultural workers, college/ vocational students or cost-conscious commuters.

Commute with Enterprise provides customized newer vehicles for an economical and comfortable commute to work.

All vanpool leases include vehicle, insurance and maintenance. AVR Vanpool and Commute with Enterprise include roadside assistance. CalVans includes towing and a fuel card.
